

Packwell Industries (Valsad) Private Limited

Introduction

Packwell was established in the year 1985 by

- ✦ Shri Janak Gor
- ✦ Shri Mukesh Savla

Both of them were the promoter directors of the company. In 1987, the company was fortified with the induction of

- ✦ Shri Kapoorchan Shah as a Director
- ✦ Shri Bakul Gor as Technical Manager

At present, in 2009, these two gentlemen are directors on the Board of the company, along with their family members.

Commercial production was established in 1987 of the following items

- ✦ Woven sacks
- ✦ Machine screws
- ✦ Solar water heaters
- ✦ Plastic Blow Moulded Bottles

The company moved in to exclusive manufacture of Plastic Blow Moulded Bottles in 1991-92. In 1993-94, Shri Bakul Gor became a director on Board of the Company. Packwell began manufacturing bottles ranging from 25 ml to 1 litre & has now extended the range to 5 litres.

Location

The company has established its only factory is established over a plot of 27000 square feet of land in GIDC, Pardi. The factory building covers an area of 7200 square feet. It is located about 150 metres off the National Highway No 8. The factory is near to the Valsad railway station.

Management

The company is presently managed by a Board of Directors comprised of

- ✦ Mr Kapurchand R Shah
- ✦ Mr Bakul U Gor

And their family members, after a negotiated take-over from the promoters in 2006-07
